[GenX July 21 2017.docx](#)

Attached is the revised. It includes some changes to the SC paragraph from region 4, changes to the 4th bullet in the background, some changes to timeline, and the addition of some background on health advisories from OW.

I can bring hardcopies to our meeting.

I have staff working to update what we sent yesterday with what Nancy G sent this morning. Linda Strauss is trying to do it. We also want to add the drinking water advisory section.

Lots of cooks from all the program offices and OPA have been working on this. The attached captures where we have ended up, although my understanding is that more edits may be coming in from Region 4. If there are edits, I will bring revisions to our meeting at 10am. And of course, Lee, Richard and Patrick, if you have other suggestions please whack away.

Subject: Re: Charleston, SC

Can we also add NC specific info - in addition to SC specific info- to the Gen X briefing as well?
